

VERSATILITY AWARDS PROGRAMS

Any member interested in sponsoring an award may submit a sponsorship application. Sponsors will be able to place an advertisement in our Awards program, which will be available at the next Annual Dinner.

ROM Awards Program

The ROM awards are meant to recognize superiority in breeding dogs. Sires and Dams earn points based on the accomplishments of their offspring.

The Versatility Titling Program

The Versatility Program is designed to recognize excellence in all areas of terrier competition. The more areas and higher the level of achievement the more significant the awards become.

The Year-End Awards Program

The Year-End Awards are designed to reward excellence obtained over one calendar year (to run from January 1 to December 31) in varying venues by acknowledging the top dog for the year in each area.

The Hall of Fame

The Hall of Fame is reserved for lifetime achievement. The individual PRTs earning spots in the Hall of Fame will have their photo posted on the PRTAA website along with a short biography.
